

1 JUDGE STIRMER: What --

2 MR. DUNNE: -- support -- the report's of  
3 this Government --

4 JUDGE STIRMER: Why can't --

5 MR. DUNNE: -- official.

6 JUDGE STIRMER: -- this be an admissible  
7 document if it's a -- you don't question the authenti-  
8 city of this, do you?

9 MR. SHOOK: No, sir. We do not.

10 JUDGE STIRMER: Then what could be the -- a  
11 valid objection to keeping this out --

12 MR. SHOOK: Your Honor --

13 JUDGE STIRMER: -- since this relates to the  
14 matters directly in issue in this proceeding?

15 MR. SHOOK: Well, what, what we don't have  
16 here is anything from Mr. Moffit or Mrs. Raines to the  
17 effect that this is something that they would stand by  
18 in terms of -- now that they've had a chance to look at  
19 this and reflect on it a little more, that there may be  
20 things in here that they back away from. I mean, this  
21 report is being offered for the truth of all the mat-  
22 ters asserted therein. And because we do not have a  
23 sponsoring witness, either in the person of Mr. Moffit  
24 or Mrs. Raines, that's where our hearsay objection  
25 comes in.

1 JUDGE STIRMER: Well, would you want to  
2 cross-examine these witnesses on the, on the contents  
3 of these reports, the Poole report and the Moffit and  
4 Raines report?

5 MR. SHOOK: In terms of cross-examination,  
6 Your Honor, it would appear that we might be forced to  
7 do that if, if the report were admitted in its enti-  
8 rety, but we believe that Mr. Ramage would be competent  
9 to, you know, testify about not only his report but the  
10 apparent findings and conclusions of the other two  
11 reports. Again, Your Honor, we don't -- we believe,  
12 though, that Mr. Ramage's report is the most detailed,  
13 most complete report, and we also have Mr. Ramage, who  
14 is going to come and testify about it and who has  
15 verified, you know, by affidavit that he believes  
16 everything in his report to be true and accurate. We  
17 don't have that with the other two reports.

18 JUDGE STIRMER: The problem I have with this,  
19 Mr. Dunne, is, is I have no one who's prepared to offer  
20 this under oath, who is prepared to look at it and tell  
21 me whether there's any mistakes or errors or omissions  
22 in these reports. Now, I can't quarrel with the fact  
23 that these were reports that were made at the time they  
24 were made. But whether or not the content of that  
25 report is true and accurate, I have no way of knowing.

1 MR. DUNNE: Your Honor --

2 JUDGE STIRMER: If there are some aspects to  
3 it that aren't true and accurate, I have no way of  
4 knowing. And that's my problem with this one, as well  
5 as the Poole report.

6 MR. DUNNE: Your Honor, these are, these are  
7 documents prepared by Federal employees in the course  
8 of their business, you know, submitted to the Agency.  
9 They are business records.

10 JUDGE STIRMER: I understand what --

11 MR. DUNNE: We have to assume -- I mean, I  
12 assume that the FCC is, you know, accurate or trying to  
13 be accurate in, in preparing these reports. I don't  
14 believe that anyone here knowingly made a misrepresen-  
15 tation. Now, I don't want to cross-examine these  
16 people. I just want to put in the evidence that they  
17 had and put it in their own, you know, their own rec-  
18 ord.

19 JUDGE STIRMER: Well, what conclusions do you  
20 want me to draw from that?

21 MR. DUNNE: Well, Your Honor, the certain --  
22 you asked earlier about IF beat interference and inter-  
23 mittent -- and interference from the, the highway  
24 patrol. Okay. On page 2, I believe, or was it 3, of  
25 this particular exhibit, in the fourth paragraph they

FREE STATE REPORTING, INC.

Court Reporting Depositions  
D.C. Area 261-1902

1 talk about IF intermittent interference with interme-  
2 diate frequency would explain intermittent interference  
3 with this. It supports the testimony of Mr. Lampe.  
4 Now, it also supports that most of the interference  
5 observed was on Channel 6 and not other channels, and  
6 that some of the other interference that was complained  
7 of was not blanket-- necessarily blanketing interfe-  
8 rence, but other sorts of interference or poor signal  
9 strength. I mean, these are the Commission's own, you  
10 know, people going out and doing this, Your Honor.

11 JUDGE STIRMER: I understand that. And, and  
12 I'm inclined to receive both of these reports for the  
13 purpose of showing what the reports contained. But  
14 whether or not the information contained therein is  
15 entirely accurate, I have no way of knowing. I'm not  
16 going to have a witness here to testify to these mat-  
17 ters.

18 Now, let me ask the Bureau whether or not  
19 some of the individuals who were interviewed are the  
20 same that were -- that was interviewed by the other  
21 Commission engineer who is going to testify?

22 MR. SHOOK: Your Honor, I believe both Hillis  
23 and Smith -- and we have Jean Hillis and Doris Smith  
24 who would have met both Mr. Poole and Mr. Moffit and  
25 Mrs. Raines. And I don't believe that there is --

FREE STATE REPORTING, INC.

Court Reporting Depositions  
D.C. Area 261-1902  
Balt. & Annap. 974-0947

1 | there are any other, you know, common individuals.

2 | JUDGE STIRMER: So, so -- just what did you  
3 | say?

4 | MR. SHOOK: Okay.

5 | JUDGE STIRMER: Two, two people?

6 | MR. SHOOK: At least two people, Doris Smith  
7 | and Jean Hillis. Oh. Now, Mrs. William Gray is Joanne  
8 | Gray, who is one of our witnesses. She appears as a  
9 | person who was contacted by Mr. Moffit and Mrs. Raines.  
10 | That is the second report. She was not contacted, I  
11 | believe, by Mr. Poole. And I would also say that Kathy  
12 | Kearbey, who appears as a person who was contacted by  
13 | Mr. Moffit and Mrs. Raines, was contacted by Mr. Ramage  
14 | and appears in the Ramage report, but she is not one of  
15 | our, one of our witnesses. Those, those would be the  
16 | individuals that we're aware of, Your Honor.

17 | JUDGE STIRMER: All right. I'm going to  
18 | reserve ruling on these. I want to -- I'll read these  
19 | reports over the, the noon hour and then I'll, I'll  
20 | rule on the admissibility of them. It would seem,  
21 | though, that --

22 | MR. DUNNE: Your Honor?

23 | JUDGE STIRMER: Yes.

24 | MR. DUNNE: If I might make a point. If it  
25 | -- as far as it goes, if it would make it, you know,

FREE STATE REPORTING, INC.

Court Reporting Depositions  
D.C. Area 261-1902  
Balt. & Annap. 974-0947

1 more agreeable to the, the Bureau itself, we could  
2 agree to strike those portions of the second report  
3 that don't deal with people who were covered in the  
4 Ramage report. Does that make any difference?

5 MR. SHOOK: Your Honor, at this point we, we  
6 have our basic objection for the problem of sponsor-  
7 ship.

8 JUDGE STIRMER: Well, you, you, you say it's  
9 sponsorship --

10 MR. SHOOK: Well, Your Honor --

11 JUDGE STIRMER: -- but then --

12 MR. SHOOK: -- by that I mean --

13 JUDGE STIRMER: -- on the other hand, you're  
14 not, you're not quarrelling with the authenticity of  
15 this report.

16 MR. SHOOK: No, sir. We are not.

17 JUDGE STIRMER: -- that was a report rendered  
18 in the ordinary course of business reflecting upon  
19 matters that are issue -- at issue in this proceeding.

20 MR. SHOOK: No, sir. We are not, we are  
21 not --

22 JUDGE STIRMER: Then, then on what basis do  
23 you argue legally that it should be excluded?

24 MR. SHOOK: It's the, it's the point, Your  
25 Honor, that there will be no witness who can testify

FREE STATE REPORTING, INC.

Court Reporting Depositions  
D.C. Area 261-1902  
Balt. & Annap. 974-0947

1 that everything in this report is as it should be and  
2 that there's nothing in here that should be changed,  
3 that, you know, we found nothing later or there's  
4 nothing upon reflection which requires a change. We  
5 have no such person.

6 JUDGE STIRMER: Well, that's why, if I do  
7 receive it, I'm just going to receive it as being a  
8 report. But I, I don't think anybody can attest to the  
9 authenticity and the accuracy of every word in this  
10 report because no one is here to tell me that it is  
11 entirely accurate in all respects. So, if I do receive  
12 it, I'll just receive it as being a report that was  
13 prepared by, by these individuals and submitted, and  
14 the report said the following things, without necessar-  
15 ily anybody here to tell me that that's true and accu-  
16 rate. But, again, I want to read it before I rule.

17 MR. DUNNE: Fine, Your Honor.

18 JUDGE STIRMER: All right.

19 MR. DUNNE: So, Your Honor, you're reserving  
20 ruling on Exhibit --

21 JUDGE STIRMER: Yeah. I'll rule on --

22 MR. DUNNE: -- in 5 and 6?

23 JUDGE STIRMER: -- both --

24 MR. DUNNE: Okay.

25 JUDGE STIRMER: -- the Poole report and the

1 Moffit and Raines report when I get back from lunch.

2 MR. DUNNE: Okay.

3 JUDGE STIRMER: I'm going to read them both  
4 before I go to -- during the lunch recess.

5 MR. DUNNE: Okay. Thank you.

6 JUDGE STIRMER: And then I'll be in a better  
7 position to, to rule on it.

8 MR. DUNNE: Your Honor, the last exhibit that  
9 KOKS would offer in evidence at this time is Exhibit  
10 No. 7. It's entitled, "Petitions in Support of KOKS."

11 (Whereupon, the document  
12 referred to as KOKS Exhibit  
13 No. 7 was marked for  
14 identification.)

15 MR. DUNNE: And I admit on the record that it  
16 was not exchanged on the exhibit exchange date.  
17 Federal Express did not come through as it was supposed  
18 to. It was exchanged a day late.

19 JUDGE STIRMER: Are there any objections?

20 MR. SHOOK: Well, Your Honor, we have no  
21 objection to when we received it, but we do object on  
22 the grounds of relevance. We don't believe that any of  
23 the petitions or the information contained therein is  
24 relevant evidence with respect to any of the issues  
25 designated in this case.

FREE STATE REPORTING, INC.

1 JUDGE STIRMER: What, what is the purpose of  
2 this offer, Mr. Dunne?

3 MR. DUNNE: Your Honor, there, there is a  
4 great deal of evidence to the number of, of complaints  
5 that the, that the station has received. There is a  
6 reference in paragraph 2, or footnote 2, I believe, of  
7 the hearing designation order to the fact that the  
8 Commission has received a certain number of petitions  
9 talking about the station and, and whatever. I think  
10 it's -- it's worthwhile putting into evidence that  
11 there are a number of people who support the station  
12 and like the program service, and that's the only  
13 purpose for submitting these petitions.

14 JUDGE STIRMER: Well, I'm not going to re-  
15 ceive this, Mr. Dunne. It's -- I'm going to reject it,  
16 but it will go forward as your rejected Exhibit 7.

17 (Whereupon, the document  
18 marked for identification as  
19 KOKS Exhibit No. 7 was  
20 rejected.)

21 JUDGE STIRMER: I don't know anything about  
22 how this was prepared. I don't know whether the signa-  
23 tures on here are authentic or not. I don't know --

24 MR. DUNNE: Fine, Your Honor.

25 JUDGE STIRMER: All right. That completes

2 MR. DUNNE: Yes, sir, it does.

3 JUDGE STIRMER: All right. Now, how many of  
4 these witnesses do you want for cross-examination, Mr.  
5 Shook?

6 MR. SHOOK: Your Honor, we want Mr. Lampe,  
7 Don Stewart, and Nina Stewart.

8 JUDGE STIRMER: You want those three witnes-  
9 ses?

10 MR. SHOOK: Yes, sir.

11 JUDGE STIRMER: Okay. Do you have any objec-  
12 tion to producing those three?

13 MR. DUNNE: None whatsoever, Your Honor.

14 JUDGE STIRMER: Very well.

15 MR. DUNNE: Is there any particular order you  
16 want them produced?

17 MR. SHOOK: It's up to you.

18 MR. DUNNE: Okay.

19 JUDGE STIRMER: Okay. Will this be an appro-  
20 priate place to break for lunch or do you want to go on  
21 a little further?

2 right. Is the Bureau prepared to identify and offer  
3 its exhibits at this time?

4 MR. DUNNE: I thought they were going to be  
5 offered as part of yours? That's, that's only three.

6 MS. LADEN: All right, Your Honor. Can we  
7 just have a minute?

8 MR. SHOOK: Your Honor, could we have one  
9 minute, please?

10 JUDGE STIRMER: Certainly. Off the record.

11 (Off the record.)

12 (On the record.)

13 MR. DUNNE: May we go on the record for just  
14 a moment?

15 JUDGE STIRMER: On the record.

16 MR. DUNNE: Yes, sir.

17 JUDGE STIRMER: Yes, we're on the record.

18 MR. DUNNE: Okay. Your Honor, after a con-  
19 sultation with Mass Media's counsel, we discovered that  
20 we have a misunderstanding concerning the exchange of  
21 certain documents. There are three submissions to the  
22 Commission that were made by KOKS that we believe -- we  
23 jointly believe, I think I speak for the Mass Media  
24 Bureau, should be in the record as well as the others  
25 that are submitted as part of their case, and we had a

FREE STATE REPORTING, INC.

1 | misunderstanding about who was going to submit them and  
2 | under what circumstances. I think under this -- the  
3 | best, easiest way to deal with it would be to, to offer  
4 | them in, in evidence as KOKS Exhibits 8, 9, and 10. I  
5 | will identify them here and I will show them to you. I  
6 | don't have copies here, unfortunately.

7 | JUDGE STIRMER: All right.

8 | MR. DUNNE: They're basically, Exhibit No. 8  
9 | would be a letter, in describing it for the record,  
10 | dated November 3, 1988, filed with the Commission on  
11 | KOKS's behalf and signed by me.

12 | JUDGE STIRMER: It's a letter dated November  
13 | 3 --

14 | MR. DUNNE: 3, 19--

15 | JUDGE STIRMER: -- '88?

16 | MR. DUNNE: 1988.

17 | JUDGE STIRMER: How many pages, please?

18 | MR. DUNNE: It's two pages, Your Honor.

19 | JUDGE STIRMER: Very well.

20 | (Whereupon, the document  
21 | referred to as KOKS Exhibit  
22 | No. 8 was marked for

24 | MR. DUNNE: Exhibit No. 9 would be a letter

FREE STATE REPORTING, INC.

1 two pages, again signed by me as counsel for KOKS.

2 JUDGE STIRMER: That's also to the FCC?

3 MR. DUNNE: Yes, sir.

4 JUDGE STIRMER: All right.

5 (Whereupon, the document  
6 referred to as KOKS Exhibit  
7 No. 9 was marked for

9 MR. DUNNE: The third, Exhibit No. 10, would  
10 be a letter dated December 29, 1988, addressed to Karen  
11 Raines of, of the FCC, of two pages, signed by me on  
12 behalf of KOKS.

13 JUDGE STIRMER: Very well.

14 (Whereupon, the document  
15 referred to as KOKS Exhibit  
16 No. 10 was marked for  
17 identification.)

18 MR. DUNNE: As I said, Your Honor, due to the  
19 misunderstanding, I don't have, I don't have bound  
20 copies --

21 JUDGE STIRMER: I --

22 MR. DUNNE: -- with me.

23 JUDGE STIRMER: All right.

3 Exhibit 8 will be received. The letter dated 12/27/88  
4 of two pages which has been identified as KOKS Exhibit  
5 9 will be received. And the letter dated 12/29/88  
6 which is also two pages in length and identified as

8 (Whereupon, the documents  
9 marked for identification as

12 MR. DUNNE: And, Your Honor, for the record,  
13 I will make sure that we have bound copies with the  
14 exhibits that I provide the reporter and yourself this  
15 afternoon.

16 JUDGE STIRMER: All right.

17 MR. SHOOK: Your Honor, I'm going to hand the  
18 court reporter an original and one copy of our Mass  
19 Media Bureau Exhibits. They number 1 through 28, and  
20 I'll go through each of them to identify them.

23 (Off the record.)

24 (On the record.)

25 JUDGE STIRMER: All right. Back on the

2 MR. SHOOK: Your Honor, Mass Media Bureau  
3 Exhibit No. 1 is the testimony of Ronald D. Ramage. It  
4 consists of 74 pages and we would offer this into  
5 evidence.

6 JUDGE STIRMER: All right. First, Mr. Shook,  
7 let's identify all of your exhibits and then I'll  
8 entertain objections to them --

9 MR. SHOOK: Okay.

10 JUDGE STIRMER: -- as you offer them.

11 MR. SHOOK: Exhibit No. 1 is the testimony of  
12 Ronald D. Ramage. As I said, it consists of 74 pages.

13 JUDGE STIRMER: All right. That, that'll be

16 (Whereupon, the document

4 MR. SHOOK: Mass Media Bureau Exhibit No. 3  
5 is the testimony of I. -- that's I period -- Jean  
6 Hillis. It consists of 14 pages.

7 JUDGE STIRMER: That'll be marked for iden-  
8 tification as Bureau Exhibit 3.

9 (Whereupon, the document re-  
10 ferred to as Mass Media Bureau  
11 Exhibit No. 3 was marked for  
12 identification.)

13 JUDGE STIRMER: I'll note for the record that  
14 Bureau Exhibit and Mass Media Bureau Exhibit are one  
15 and the same.

16 MR. SHOOK: The Bureau offers as Exhibit  
17 No. 4 the testimony of Dariel L. Denton, Jr. It is 12  
18 pages in length. Your Honor, we are aware that we may  
19 have misspelled Mr. Denton's first name, and that's  
20 something I believe we can get straightened out in  
21 Poplar Bluff. We have it spelled here D A R I E L and  
22 I have reason to believe, from looking at something  
23 that he submitted to us, that it's supposed to D A I R  
24 E L.

25 JUDGE STIRMER: Very well. Mr. Denton's
